Re: Water Right Permit No. **CG2-28063** (Seacliff)

Dear Mr. Ireland:

In response to your request, you are hereby granted an extension to file a *Proof of Appropriation* on the above-referenced water right for the reasons below:

- Good faith and due diligence has been demonstrated by the continuance of residential construction and infilling on the system.
- System has not yet reached maximum connections due to slowing of local development and economic conditions.
- A change application has been submitted on this file and permit must remain in good standing while application is processed.

The new deadline to put the water to **full beneficial use** and send a completed Proof of Appropriation form is **June 1, 2014**.

You have a right to appeal this decision. To appeal this you must:

- File your appeal with the Pollution Control Hearings Board within 30 days of the “date of receipt” of this document. Filing means actual receipt by the Board during regular office hours.
- Serve your appeal on the Department of Ecology within 30 days of the “date of receipt” of this document. Service may be accomplished by any of the procedures identified in WAC 371-08-305(10). “Date of receipt” is defined at RCW 43.21B.001(2).
